

Aurora Student Champions 2020-2021

We are pleased to confirm the names of the Aurora university students who form the inaugural year cohort of the Aurora Student Champions Scheme.

Earlier this academic year, we recruited students from across the Aurora universities to join this Aurora Student Council-led scheme. Thirty-one successful applicants have been briefed and trained on the expectations of their role and will begin their work as Student Champions.

During the year, Champions will submit 40 hours of evidence, demonstrating their contributions to Aurora and how their learning links to the values of the Alliance. These include diversity, inclusivity, sustainability and internationalisation. Champions are tasked with engaging with Aurora universities' senior management, work package leads and groups, and student bodies, to help drive forward the collective ambitions of the Alliance.

Aurora university Institutional Coordinators and Work Package Leads have been provided with further contact details for our Champions, to help connect them with relevant work streams. If you would like to contact the Aurora Student Champions or find out more about their work, please email the administering team at aurora.champions@uea.ac.uk or speak with the Aurora central office team.

In the meantime, we hope you will join us in congratulating the following students and to their great success in their roles as this year's Aurora Student Champions.

Aurora Student Champions 2020-21		
Ahmad Assi	Alec Goldstone	Mar Sáenz de Tejada Sanabra
Valerie Bauder	Freeke Homminga	Alba Domínguez Sánchez
